Social and Educational Enrichment

- JCCC Summer Youth Enrichment
<https://www.jccc.edu/academics/ce/summer-youth-ce/>

We have proactively decided to move all JCCC Summer Youth Enrichment courses to a live, online format this summer. Our wonderful instructors have worked hard to create more than 100 course options that cover many of the same topics you come to expect from us, including Archeology & Artifacts, Art, Business, College Prep, Computer Programming, Creative Writing, Entrepreneurship, Music, Photography, Star Wars, Super Heroes, and more.

- Johnson County Parks & Rec LEAD Program
<https://www.jcprd.com/310/LEAD-Camp>

Do more this summer! Leadership Education and Development (L.E.A.D.) Camp builds the character of young leaders through career and education exploration, community service and stewardship, and engaging recreation activities. For youth entering grades 6th through 9th, L.E.A.D. Camp offers a summer of friendships, new experiences, and exciting challenges. Camps are from June 1 to July 31, Monday through Friday from 7 a.m. to 6 p.m.

- KC Parks & Rec Day Camps (*note: now at reduced capacity in order to be Covid-safe*) <https://kcparks.org/programs/summer-camp20/>

- [The Barstow School Summer Program](#) (*note: all June camps now online, but they are still hoping to be able to offer in-person camps after July 4*)
- [The Coterie Summer Drama Classes](#) June 15-July 31, 2020
- [Dramakc.com](#) Theatre of the Imagination Online Drama Classes
- [Science City at Home](#) Although, sadly, Science City did have to cancel all of their summer camps, they are providing lots of on-line activities for kids to do at home :)
- [Kansas City Art Institute Youth Program](#) (*note: they are still hoping to be able to provide in-person camps in July*) **VIRTUAL ARTVENTURE CAMP**

Registration now open - online courses available June 15th

Young artists can now enjoy the fun of summer camp from the comfort of home! Virtual ARTventure camps are asynchronous with no set meeting times for the students. Instead, instruction is pre-recorded and is project-based, with 3 to 4 assignments per camp. Students can choose a time and place that works best for them to complete the work. Course activities include video demonstrations, tutorials, presentations, projects and prompts.
